

COMUNICAT

din data de 21.01.2010

Ieri 20 ianuarie 2010 a avut loc in orasul Bekescsaba festivitaea de semnare a contractului de constituire a consortiuului romano-maghiar prin care se va face transferul de apa in Ungaria.

In acest fel, statia de tratare a apei de la Arad va furniza apa potabila locuitorilor din judetul Bekes, odata cu finalizarea lucrarilor de investitii necesare in acest scop.

COMMUNIQUE

Yesterday January 20, 2010 took place in the city of Bekescsaba the signing festivity of the Romanian-Hungarian consortia through which water will be transferred in Hungary.

In this way, the water treatment plant in Arad will provide drinking water to the residents in Bekes County, once the investment works necessary for that purpose are completed.
