The screenshot shows the official website for the 2nd IWA Development Congress & Exhibition in Kuala Lumpur, Malaysia, from November 21-24, 2011. The website has a blue header with the IWA logo and navigation links: Home, About the Congress, Congress Programme, Kuala Lumpur and Beyond, Exhibition, and Registration/Accommodation. The main content area is titled "OUR CHALLENGE AND OUR OPPORTUNITY" and discusses the challenges of urbanization and the opportunities for innovation in water and sanitation. It mentions the biennial IWA Development Congress as a platform for professionals and practitioners to share experiences and insights. The website also features a "Quick Links" sidebar with links to notices, instructions, latest programs, templates, pre-congress workshops, and downloads. The "Organisers" section lists the International Water Association (IWA) and the Malaysian Water Association (MWA). The "Sponsors" section includes logos for CPIC, miya, and Malaysia's Prime Minister's Office (PMO). The "Institutional Partners" section lists KETTHA, SPAN, and other local organizations. The "VENUE" section features a photograph of the Kuala Lumpur skyline, including the Petronas Twin Towers.

COMMUNIQUE
