COMMUNIQUE

Yesterday 02/09/2011 was held at the National Authority for Regulating and Monitoring of Public Procurement (ANRMAP), the first meeting of the working teams who will standardize tender documents for the design and execution of works financed by the Cohesion Fund.

This meeting was attended by ARA President, Executive Director of Water Employers and working group members.

During next week will be set up the ARA sub-groups that will begin work on making these framework documentations.
